Podiatry Chair with Seat Lift

Every practice should have at least one heavy duty table allowing the safe lift of heavy patients reducing fatigue and back strain on the practitioner.

The electric height, backrest and seat lift can be individually moved to preferred angles to suit treatment requirements at the touch of a button.

The manual adjustable leg section which is supplied standard with footrest extension can quickly and easily be moved during treatments and offers a working heel height of 1300mm.

HOLDS 400kg

LIFTS 300kg
